

To: Mrs Roger, Mrs Kirby, Mrs Brewster, Mrs Rippin, Mrs Benson
and Mrs Barnett

I wanted to thank you for all you have done for me this year,
in the foundation stage.
I began the foundation stage with out knowing almost a word
in English and with a lot of concerns and fears about how will I fit in.
Now, at the end of the year I can speak, write and read a little.
I have many friends and I love coming to school in the morning.
All of these achievements couldn't have happened without
your every day carrying, listening, helping, teaching,
understanding (with out words at start) and encouraging me
through every step of the way.
You made school a fabulous experience for me.

Thanks for a great year!

Love
